

Ambiloom® Mirror 800

Wall-mounted mirror with light effects

Ambiloom® Mirror 800 is a wall mirror in an aluminum frame with a unique lighting effect. The LUX effect is built up by the patented ETTLIN LUX® textile and integrated LEDs. The LED stripes on the back plate of the mirror are warm white (3,000 - 3.500 K).

- Wall-mounted mirror with integrated LEDs
- Plug & play
- Worldwide unique light effect

Glass	ETTLIN LUX® Mirrorglass
Size	400 mm x 800 mm x 50 mm (W x H x D)
