ETTLIN LUX®
MADE FOR UNIQUE PROJECTS

Ambiloom® Floor 250

Floor light

Ambiloom® Floor 250 is a floor lamp with a luminaire head with noble textile surface. The luminaire head owns a upwards directed light source for an indirect room illumination. In addition the luminaire fascinates with ambient lighting with the LUX effect. The LUX effect is built up by the patented ETTLIN LUX® textile and integrated LEDs. The luminaire is operated with a foot switch located at the cable. The LED strips inside are warm white.

Overall size	Ø 700 mm H approx. 1,500 mm
